# FEE SCHEDULE

## Onboarding Fee

Capped at 15,000 Malaysian Ringgit (exclusive of disbursements) for preparatory work and completion of statutory due diligence. This amount is payable immediately upon signing of the Engagement Letter.

Discounts to the onboarding fee may be offered at the discretion of Crowdo Malaysia.

## Retainer Fee

3,000 Malaysian Ringgit per month for maintaining the live fundraising campaign on our website beyond the pre-agreed campaign period.

## Administrative Fee

(Only one of the following two fee schedules will apply)

- Fee Schedule A: Offers with pre-committed Lead Investor/s: 4-6% on the total raised amount (admin fee % is exclusive of disbursement)
- Fee Schedule B: Offers with NO pre-committed Lead Investor/s: Capped at 6% on the total raised amount (admin fee % is exclusive of disbursements)

These admin fees are charged to either the gross amount of funds raised equal to the target amount, or in the case of over subscription, the total gross amount raised within the Offer period. No administrative fee will be charged in the event the Issuer falls short of its Offer target at the end of the Offer period. This administrative fee will be netted out of the investment funds that are transferred from the escrow account to the Issuer upon completion of the Offer. A prospective Issuer will be informed of the applicable administrative fee % prior to the launch of the Offer.

## Referral Fee

We offer referral fees to individuals or entities that introduce prospective Issuers with Offers or potential (lead) Investors. The terms and amount of such fees are determined on a case-by-case basis through mutual agreement.
